Dear Mr. Shahar:

On behalf of Visiting Nurse Service of New York, it is my privilege to thank you for your quarterly payment of \$1,500 toward your pledge of \$6,000 in support of our Nurse Internship program. It is deeply gratifying to have your partnership on this important endeavor of helping to train and nurture the next generation of professional nurses.

This gift is especially meaningful because it exposes and enhances the knowledge of new nurse graduates to the home healthcare profession. New nurse graduates will receive computer-based training for patient care, ongoing specific clinical skills, development of advanced critical thinking skills, a pathway to Geriatric certification, and many more invaluable skills.

On behalf of VNSNY, once again I extend my appreciation for your generosity and for the encouragement it represents.

Sincerely,

cc: Renu Gupta
